Join Our Friendly Team of Volunteers

- **Share your expertise, insight and knowledge with others**
- **Socialise and make new friends**
- **Keep active and fit, both physically and mentally**
- **Brush up on existing skills, or learn new ones**
- **Get creative, we are keen to explore your ideas on how we can evolve**
- **Gain work experience, enhance your CV and improve career opportunities**
- **Be a valued part of a team**
- **Help to ensure a future for Britain's treasured industrial heritage**
- **Drink copious quantities of free tea!**

There are lots of things volunteers can do at the museum of power. However the main areas we currently need help with the most include:

- ✓ **Welcoming our visitors and showing them around - especially at weekends.**
- ✓ **Helping us to build useful connections with other organisations by talking to them on the phone.**
- ✓ **Learning to drive our extremely popular miniature railway train.**
- ✓ **Helping to keep on top of the general office tasks that keep us organised.**
- ✓ **Helping to make our seven acres of grounds as attractive as possible for the public.**
- ✓ **Making sure the 'odd jobs' that routinely crop up around the museum are taken care of.**
- ✓ **Helping out on our busy event days - in numerous ways!**
- ✓ **Helping out with the groups of children who join us for school visits and arts activities.**
- ✓ **Becoming a manager or trustee, to help guide the museum in the right direction.**
- ✓ **Ensuring all our machines that are on display are kept in good working order.**
- ✓ **Helping us to publicise the museum in different ways.**

While these are the main areas we currently need help with, if you think you could spare some time helping in any other way, please let us know!

There are all kinds of things volunteers can do at The Museum of Power, what area/s would you prefer to be involved in?

The museum is open to volunteers and staff from 9am to 4pm Tuesday to Sunday; please let us know which days of the week and approximately which times of day you might be able to help out.

Please let us know the ways in which you would like to benefit from helping us (e.g. socialising, keeping active, work experience) as this helps us to find the best role for you.

Your skills are valued by us; do you have any qualifications, experience or interests that you feel would be of particular help to the museum?

Is there any other important information you wish to share (e.g. disabilities or health issues)?

Is there anything further that you would like to know about the museum and volunteering here? Ask us and we'll get back to you.
