Wednesdays August 1st, 8th, 15th, 22nd & 29th: 10:30am & 1:00pm

Morning & Afternoon Sessions £3 each (for Children aged 7 -12)

Child's Picnic Lunch £4.50 OR Full Day with Lunch £10

To book email: summer.fun@museumofpower.org.uk

Bring the kids along to the Museum of Power for our 'Summer of STEAM' Wednesday activities facilitated by magical duo Darren & Dean.

Featuring the combined superpowers of Science, Technology, Engineering, Art & Maths; STEAM is a great way to get children excited about the arts & sciences.

Included in our Wednesday programmes will be Chaotic Chemistry, Fantastic Physics, Engaging Engineering & Bonkers Biology.

Additionally our activities will also include a fun journey into storytelling and acting which will help students to build important communication skills and confidence.

For further details see our Facebook page or website.
